

## COVID 19 SAFETY GUIDELINES

- We want to make our premise as safe as possible for all who attend. We have put together these guidelines which we ask all to adhere to whilst in the building.
- Please DO NOT attend if you have or are experiencing any symptoms of Coronavirus or have done within the last 7 days.
- On arrival, please write your name, address and email / telephone number in the notebook in the lobby. This is for us to keep for our own records for just 21 days in case you are exposed to anyone with coronavirus. After 21 days we dispose of your details.
- Please WASH OR SANITISE YOUR HANDS when entering and leaving the building. Sanitiser is available in the entrance lobby of the building, the studio, kitchen / lounge area and treatment room. You can use either of the two toilets to wash your hands.
- Please use the cleaning wipes in the studio / treatment room to wipe down any equipment after use.
- Please respect people's space by social distancing.

Thank You for your compliance,
